The U.S. Department of Commerce is working with state and local partners that help small- and medium-sized businesses reduce costs, fill supply chain gaps and find new buyers through the Commercial Service and Manufacturing Extension Partnership. PAID LEAVE TAX CREDITS AND UNEMPLOYMENT

Small business owners may receive a dollar-for-dollar tax credit by providing paid leave to employees. More information can be found at dol.gov/agencies/whd/pandemic/ffcra-questions.

To expedite unemployment payments, Gov. Stitt suspended the one-week waiting period before unemployment benefits can be paid. Applications for unemployment are available at ok.gov/oesc.
